- TBD

2018-2019 Board of Education Priorities

Board Priority 1:

Increase the achievement of every child through a focus on:

- innovative practices
- student well-being
- equity in program design and implementation

Board Priority 2:

Ensure equitable access to future-ready learning environments by further engaging stakeholders in the development of the district's Comprehensive Facility Master Plan, aligning fiscal resources and adjusting school boundaries to meet the instructional programming and facility needs of all pre-K-12 students.

Board Priority 3:

Elevate communications by continuing to foster confidence in our school district through increased involvement opportunities, interconnected public relations and engagement.
