5 minutes

Mr. Lund welcomed members and introduced Dr. Carpenter.

Introduction of Topic

Dr. Dennis Carpenter, *Superintendent*

10 minutes

Dr. Carpenter introduced our latest efforts in the CFMP process and talked about our work with the Kauffman Foundation innovation grant.

Comprehensive Facilities Master Plan

Dr. Emily Miller, *Assistant*

25 minutes

Superintendent of Operational Services

Jon Plaas, *CFMP Committee Member*

Dr. Miller and Mr. Plaas overviewed the latest work of CFMP, specifically discussing the workforce development opportunities and the future of our middle school structure. There was healthy discussion about opportunities and existing programming.

The Kauffman Foundation innovation grants will be awarded to school districts pursuing scalable programming in the workforce development sector. LSR7 is applying for this multi-year grant, with the first year awarding up to \$100,000 for prep work. In total, the multi-year grant could provide over a \$1 million for workforce ready scalability.

FUTURE Business Roundtable MEETINGS

- TBD

2018-2019 Board of Education Priorities

Board Priority 1:

Increase the achievement of every child through a focus on:

- innovative practices
- student well-being

- equity in program design and implementation

Board Priority 2:

Ensure equitable access to future-ready learning environments by further engaging stakeholders in the development of the district's Comprehensive Facility Master Plan, aligning fiscal resources and adjusting school boundaries to meet the instructional programming and facility needs of all pre-K-12 students.

Board Priority 3:

Elevate communications by continuing to foster confidence in our school district through increased involvement opportunities, interconnected public relations and engagement.
